Sunday July 1

We are pleased to invite your Club to our **FIRST AutoFest**. AutoFest is still very much a celebration of the Prestige and Performance car but the emphasis will be on **PARADES, DEMONSTRATIONS** and the popular **AUTOTEST** (sorry Club stand cars will not be able to compete this year) and **LIVE MUSIC**. With only half the arena being used for moving displays the other half will be for traders, hence we have more space on the site to invite the region's clubs to join us.

If your Club or Group would like to join us at AutoFest then we ask that you or a club member co-ordinate your entries by distributing the attached individual entry forms to the members you would like to appear on your stand at the event and then return them along with this form to the GTM Events team ASAP. Please indicate if your club/group would like to do a parade, this will be a fantastic opportunity to promote your club, celebrate any notable marque or model anniversaries, promote any events, and recruit new members. At the moment, we are restricting Clubs to a **MAXIMUM OF 10 CARS**, where possible, all different models, and it is a good idea to have some reserve entries. **Club members wanting to autotest will have to enter as an individual entry.**

CLUB OR GROUP STAND ENTRY FORM (PLEASE WRITE CLEARLY)

marketing@gtm.org.uk; www.gtm.org.uk

At **AutoFest**, a selection of clubs, selected in order of entry receipt, will be invited to participate in a parade to promote the club and its vehicles or a marque/model with a noteworthy anniversary. We need to confirm in advance which Clubs and cars wish to take part in a parade, please tick the box below if your club is keen to participate in a parade. Thank you and we hope to see you July 1. Thank you for your help.

Parade

I am authorised to act on the above-named club/group and undertake to co-ordinate our club/groups entry both prior to and during AutoFest.
